September 2019

These publications
will be on display
for two months in
the Library's
Reference area
(near the Library
elevator) on the
third floor of the
Resource Center
Building.

the library's faculty publications database

The Faculty Publications Database includes citations to papers, editorials, letters to the editor, meeting abstracts, books, and book chapters authored by at least one member of the LSUHSC-New Orleans faculty, 1998 - present. Information in this database is retrieved from several sources, including: PubMed, ISI Web of Knowledge, SCOPUS, CINAHL, PsycINFO and contributions directly from faculty members. Access to this database is available to the public. To add your faculty publications, or for questions about this database, contact Kathy Kerdolff: kkerdo@lsuhsc.edu.
